

Old Leake Primary Academy

Geography Overview 2026-2027

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Can they talk about what they do with their family and the places they have been. Discuss autumn and how the environment changes.	Discuss different occupations and how they use transport to help them in their jobs.		Introduce the children to recycling and how it can take care of our world. Comment on the weather and changes in living things. Explore the world around us and see how it changes as we enter summer. Encourage interactions with the outdoors to foster curiosity and give children freedom to touch, smell and hear the natural world around them.	What can we do here to take care of the animals in the jungle? Explore a range of jungle and safari animals learning their names. Listen to children describing and commenting on things they have seen whilst outside, including plants and animals. Describe different environments and animal habitats.	Discuss how they got to school and what mode of transport they used. Look at differences between transport in this country and other countries. Encourage children to use navigational language. Environments – features of local environments and environments in other countries. Compare and contrast.
Year 1		What is it like here?		What is the weather like in the UK?		What can you see at the coast?
Year 2		Would you prefer to live in a hot or cold place?	Why is our world wonderful?		What is it like to live in Shanghai?	
Year 3/4	Where does our food come from?		Why do people live near volcanoes?			What are rivers and how are they used?
Year 4/5	Are all settlements the same?			Who lives in Antarctica?		Why are rainforests important to us?
Year 5/6	Population growth and human resources Why does population change?	Energy and sustainability Where does our energy come from?				Fieldwork Can I carry out an independent fieldwork enquiry?
